### My Time, which is entwined with the Divine Will of My Father, is almost upon

Were you, My followers, to see, as I see, the evil spirits who roam the earth seeking a home, you would die of fright. They seek refuge in the human soul and the home they inhabit. Souls who do not love Me, who reject God and who follow false teachings, spread by Satan, including new age organizations – who pose as religious and spiritual organizations – leave themselves wide open to these spirits. Many of these souls would be insulted if they were told that they were carriers of such wicked spirits. They would not believe it, even when they show signs of deep emotional distress.

These evil spirits, and there are many, show themselves to Me where they squirm in blackness before Me. I can see them sneering and spitting at Me from their vile mouths. When they are present in God's children, they transform the person they have entered, albeit slowly, at first. In time, these poor souls, will spew out obscenities against God and the Laws laid down by Him. They will promote wicked acts, of every kind, and will go to great lengths to seduce other souls into committing sin. As they increase the speed of their infestation, the Holy Spirit, present in the hearts of My followers, will stage a powerful battle to help eradicate this evil. This is why prayer is so important. Your prayers, offered up to stop the spread of evil laws, which offend God, will be heard and acted upon. (676 01-21-13)
