1. God created the world – no other planet can be inhabited by man

So arrogant is man today that he believes he has emerged from an even higher hierarchy than that of My Eternal Father. So he continues to seek out more about his origins even though the truth has been there for him to see all along. So much time is being wasted on worthless pursuits. Worthless dreams, all of which are fabricated by the minds of those scientists whose pride in his own intelligence, a gift from God the Father, means he believes he will find new facts about his origins. Why don't these children not realize that earth was created for man? **No other planet can be inhabited by man, for that is not part of My Father's plan.** How foolish man can be when trying to fulfill the emptiness of spirit within his soul. All the nourishment and fulfillment can be his if he sits down and accepts the truth. The truth of the existence of God the Eternal Father the creator of the universe. (165 08-13-11)
